

Chartres Cobbles Block Paving

Data Sheet

INNOVATORS IN
FORMPAVE

PERMEABLE PAVING

a Forterra brand

Chartres Cobbles have been created with an olden finish to emulate the old stone that is traditionally used on rural and heritage sites providing a high quality block paver. Chartres Cobbles can be traditionally coursed or laid in more unusual patterns such as circles or Flanders fans giving an intricate and attractive finish to any project. Chartres edging and starter circles have been specifically designed to complement the range.
